ENTERTAINMENT SYSTEM®

The Nintendo Entertainment System® has redefined home entertainment for more than 50 million Americans. Challenging action. Great graphics. Exciting accessories. And an unbeatable selection of game software. The Nintendo Entertainment System is the only system to give you the ultimate video game experience.

At the heart of all four Nintendo hardware sets is our Control Deck. It features Nintendo's exclusive Central Processing Unit (CPU) and Picture Processing Unit (PPU) to deliver the power to play some of today's most challenging and complex games. With power enough for tomorrow's games, too.

The Nintendo Entertainment System for the Ultimate Experience.

NES SPORTS SET™

You'll experience a new level of excitement when you and a partner take on two friends for 4-Player fun. Includes the Control Deck, four standard Game Controllers, the NES Satellite™ (with batteries) and a special double game pak featuring Super Spike V'Ball™[1] and Nintendo World Cup.™[2] 4-Player action gives you four times the fun!

POWER SET®

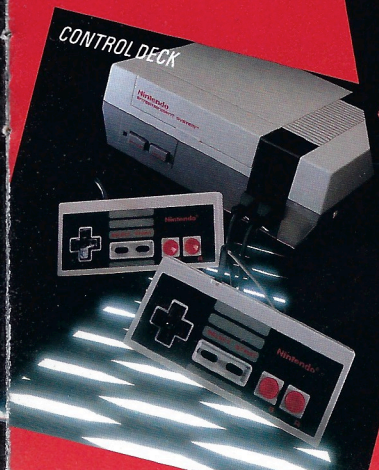
The ultimate in action and excitement. Featuring the interactive NES Power Pad.® The POWER SET includes the Control Deck, two standard Game Controllers, NES Zapper Light Gun,® NES Power Pad and a special triple game pak featuring Duck Hunt,® World Class Track Meet,™ and the worldwide hit, Super Mario Bros.®

ACTION SET®

A best seller that includes the Control Deck, two standard Game Controllers, the NES Zapper Light Gun and a double game pak featuring Duck Hunt and the original Super Mario Bros.

CONTROL DECK®

A basic starter set that gives you all the power of the Control Deck and access to all the power of hundreds of Nintendo games. Set includes Control Deck and two standard Game Controllers.



The real power behind the Nintendo Entertainment System is the games.

The Ultimate Selection: Hundreds of Games

Hundreds of titles. The most popular games. And new games introduced every month, with something for everyone. Choose from epic adventures, strategic challenges, professional-style sports, role-playing, target shooting and new 4-Player games. From arcade classics to the newest in high-tech computer games, you can be sure that Nintendo's catalog of great software will keep growing with your skill and your appetite for the best in home entertainment.

Games like Tetris.™3 Super Mario Bros. 3™ Super Spike V'Ball.™1 Final Fantasy.™4 NES Play Action Football.™5 All part of a catalog that features more than 250 titles. Games that meet the tastes of beginning and advanced players. Games that are right for young and old. All part of the ultimate in selection and excitement.

When you're ready to expand your system, Nintendo has the accessories to make your system bigger, better and even more fun.

FOR UP TO FOUR PLAYERS:
NES SATELLITE™
Our infra-red system gives you complete freedom of movement, without wires, up to 15-feet away from the Control Deck. Four input ports allow up to four players to enjoy simultaneous multi-player action on specially designed 4-Player games. The NES Satellite works with virtually all NES controllers and features built-in A and B turbo control for Turbo Power!

FUN TIMES FOUR:
NES FOUR SCORE™
Hard wire 4-Player action on specially-designed 4-Player games. NES Four Score is completely compatible with standard NES Controllers, NES Advantage and NES Max. With two or four player switch and Turbo Power with A and B turbo control.

MAXIMUM EXCITEMENT: NES MAX®
The fast action, 360 degree cycloid thumb-controlled joypad and twin turbo switches will take your game to the max in speed. Compatible with the NES Satellite and Four Score, or plug straight into your Control Deck.

The Ultimate Control: Accessories and Inside Tips

TAKE CONTROL:
NES ADVANTAGE®
Full-size, arcade-style joystick gets you ready to play with the pros. Exclusive slow-motion switch lets you set the pace. Add turbo power for repeat firing and the advantage is all yours. For up to two players.

ALL ACTION:
NES POWER PAD®
With the NES Power Pad you can hop, skip and jump your way to victory. Comes complete with the Nintendo World Class Track Meet™ game pak.

HIGH-TECH ACCURACY:
NES ZAPPER®
The most accurate, high-tech light gun available for home video use. Test your aim from up to 15 feet away from your TV screen.
